Testimonials

"Thank you for an absolutely perfect ceremony and reception at Kernwood the other night. Everything was outstanding – the ceremony on the first tee was so special, and it's a million dollar view. The food, service, outdoor gardens, everything was top notch. We never once had to worry about a thing, and could enjoy the evening to it's fullest. The entire process was enjoyable and professional."

"We know it takes a team to make an event like this happen... The entire staff was so warm and helpful, especially the attendants in the bride's room and groom's room. Kernwood has been an important part of our family for over 50 years, and while we have had many happy days and experiences there, last week's wedding was probably our best Kernwood day ever."

"Kernwood Country Club was an amazing place to have our wedding! Thank you for all that you did through out the year to help us create the perfect wedding day! From day one of looking at venues, the communication with Kernwood was above and beyond. Getting married on the golf course, looking over the water in the background was something that we enjoyed. The day of the wedding went very smooth and was exactly what we wanted it to be. Again, we can not thank the Kernwood staff enough for all there help, and the amazing job that they did!"
